## About Priority Freight

Priority Freight is an award-winning leading provider of time-critical logistics solutions, where speed and flexibility come as standard. As a strategic partner for clients, the company's mission is to provide expedited logistics solutions on behalf of major global manufacturers and their suppliers - often in emergency and crisis scenarios. Priority Freight's logistics staff truly are experts in their field; tailoring to the needs of each client. Their reaction time to customer orders is among the quickest in the industry, in under 15 minutes.

With teams operating from several strategically-located offices across Europe; these logistics specialists are constantly under pressure. Utilising a global network of strategically located partner companies, they plan routes and co-load shipments to provide the most rapid, cost-efficient and reliable solutions, whilst minimising the company's carbon footprint. The combination of their experience and state-of-the-art technology means 99.6% of Priority Freight deliveries are completed on-time.

Priority Freight's logistics teams provide this operational support to its clients regularly, with the ability to organise anything, anywhere – in the most extreme conditions. It is their dedication to beating deadlines and exceeding expectations that has made the company the expedited logistics provider of choice.
