

YOUR FREIGHT, OUR PRIORITY.

## About us

### Security

We provide 24-hour monitoring of consignments from our control centres, which are manned by our expert multilingual team. We also provide real-time satellite tracking.

### Speed

Our bespoke solutions exactly meet the speed you require to minimise asset downtime and optimise the supply chain.

### Reliability

Our control centres ensure your shipments are guided and tracked from origin to destination, giving you full control at every stage of the consignment.

### Priority Freight

#### Our vision

By 2020, to be Europe's leading provider of emergency and time-critical logistics solutions.

#### Our mission

To partner with and support our customers by adding speed and flexibility to their supply chains.

Operating 24/7/365 we display a constant commitment to providing the fastest, most cost-effective and reliable solutions, time and time again.

#### Our values

**People:** Our people are our biggest asset; their knowledge and dedication to a great customer experience are at the heart of our business.

**Innovation:** By using our global network of suppliers and 24/7 control centres, coupled with leading-edge technology, we have the ability to design and deliver solutions that are faster, more cost-effective and reliable than our competitors.

**Performance:** We aim to grow our business by providing the highest levels of service quality at all times, exceeding our customers' expectations.

**Ethics:** We act in the right manner, displaying openness and honesty at all times. We always keep our promises and we strive to ensure our customers and suppliers enjoy working with us.
