

PRIORITY FREIGHT SUPPORT AUTOMOTIVE LOGISTICS UK SUMMIT 2017, FINDING A ROUTE THROUGH THE CHALLENGES OF CHANGE

29th September 2017

Automotive Logistics UK Summit takes place as industry leaders focus on the risks and opportunities posed by Brexit. A leading provider of contingency logistics solutions, Priority Freight, sees this event as an opportunity for industry leaders to cement their strategy and view on how to protect and continue to grow the £72-billion sector. Taking place on the 3rd and 4th of October at The Grove, Chandler's Cross, Herts, Priority Freight will be attending the summit confident that the UK's departure from the EU will throw up new opportunities.

Taking the position that a realistic outlook and a strong network of trusted partners around the globe will be the key to maintaining growth during this period of uncertainty, Priority Freight, will be a reassuring voice at the summit.

Stuart Stobie, Group Sales and Marketing Director at Priority Freight said: "The automotive sector is moving at a rapid pace towards electrification and connected vehicles, whilst still maintaining and developing traditional fueled vehicles.

"Having worked for 20 years in this sector this is probably the most exciting and challenging period ever. Priority Freight will continue to innovate supply chain solutions that support our customers through

this exciting period of change and we look forward to meeting existing customers at this event as well as hopefully some new ones."

The summit will welcome senior executives from OEMs and their tier suppliers, government officials, infrastructure financiers and LSPs. They'll meet to assess logistics and supply chain strategies in the light of Britain's future exit from the EU.

As a strategic partner for clients, Priority Freight's mission is to provide the most rapid, cost-effective and reliable door-to-door logistics solutions – often in emergency and crisis scenarios. An expert in expedited logistics with same-day delivery to minimise downtime, to help its customers avoid significant financial losses and potential reputational damage.

After celebrating its 20th anniversary last year, Priority Freight is a rapidly growing logistics specialist, completing more than 100,000 expedited shipments each year. The company's dedication to beating deadlines and exceeding expectations has made it a leading contingency logistics provider for automotive clients.
