

PRIORITY FREIGHT RECOGNISED AS ONE OF KENT'S FASTEST-GROWING COMPANIES BY KM MEDIA GROUP

10th November 2017

This month, Priority Freight featured in the top ten of the KM Media Group's 2017 'MegaGrowth 50' list, recognised for being Kent's sixth fastest-growing private company, determined by its turnover over the last three years.

KM Media Group, along with event sponsors ASB Law, Kreston Reeves, Lloyds Bank, hosted the presentation breakfast earlier this month at Turkey Mill, Maidstone. The 'MegaGrowth 50' list, which celebrated its 15th anniversary last year, identifies Kent's fastest-growing private companies in Kent, with revenues of at least £1 million.

The only logistics provider to make the list, Priority Freight completes more than 100,000 expedited shipments each year, contributing to the impressive 174.4% percentage growth turnover in the last few years. Not just recognised for the increase in turnover, Priority Freight also appeared in third place on the 'MegaGrowth 50' export sales league table, with a huge 356.6% percentage increase in exports.

Neal Williams, Group Managing Director at Priority Freight, commented: "Ranking within the top ten positions in this year's KM Media Group's 'MegaGrowth 50' league tables is further evidence that our team's dedication and hard work is paying off. We will continue to innovate, providing the best solutions to customers and our vision is to be Europe's leading provider of emergency and time-critical logistics solutions by 2020."
